

Brighter & Lighter

50mm F1.2 AS UMC CS

Standard angle lens is your best partner for portraits. Create impressive bokeh with shallow depth of focus with bright F1.2 during various photo shoots. UMC Technology minimizes flares and ghosts to improve image quality.

- ⊗ Bright F1.2 aperture
- ⊗ Glass aspherical lens (ASP)
- ⊗ Ultra Multi Coating (UMC) technology of Samyang Optics
- ⊗ Circular aperture with 9 blades
